Are you an active member
The kind that would be missed?
Or are you just content
Your name is on the list.

Do you attend the meetings
And mingle with the flock
Or do you stay at home
And criticize and knock!

Do you take an active part
To help the work along?
Or are you satisfied to be
The kind that just belongs!

Do you ever voluntarily
Help with the guiding stick?
Or leave the work to just a few
And talk about the clique.

Come out to meetings often
And help with hand and heart
Don't be JUST a member
But take an active part!

Think this over member
You know right from wrong!
Now I ask you:
Are you an active member?
Or do you just belong?
