In 2013 Mission Parishes will normally have their Liturgies celebrated at either 9 am or at 12 noon. The extra half an hour is added between the services to allow the priests to visit a little with the people, as well as to drive without being as rushed between services. Thank-you for your understanding.

If there are problems with this 2013 liturgical schedule, please call or email Fr. Bo. He will try to accommodate your wishes if possible.
