Vibrant Parishes: *Places to Encounter the Living Christ*

It is the parish where most often the faithful have their first encounter with Christ, whether it be through attending the Sunday Divine Liturgy, a baptism, wedding or funeral.

Evangelization often first happens on the level of the parish.

Synod of Bishops (2012)

25 Year Eparchial Pastoral Plan

ONE DAY...

... after preaching to the crowds, Jesus invited Peter to “put out into the deep waters and let down your nets for a catch” (Luke 5:4). Peter and his companions – the first disciples called by Christ – cast their nets and, “When they had done this, they caught so many fish that their nets were beginning to break” (Luke 5:6). Jesus’ words, *put out into the deep*, ring out as loudly today as they did some 2000 years ago.

Put out into the deep are also the words that Blessed Pope John Paul II used to invite the whole Church – you and me included – to embark on a new stage of its journey at the outset of the third millennium – the renewal of the fundamental mission of the Church, that is, to “Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything that I have commanded you. And remember, I am with you always, to the end of the age” (Matthew 28:19-20). This is nothing less than *evangelization* – an encounter with Jesus Christ!

Therefore, we will embark upon a period of renewal within the Eparchy of Edmonton, and, like Peter and the other disciples, we place our hope and faith in Jesus and *put out into the deep*, trusting that the Lord will also navigate our journey into a deeper relationship with the mystery of the Holy Trinity. Our renewal, our Pastoral Plan, will not follow a particular ‘magical’ program; rather, we will *start afresh from Christ Jesus* and plan our journey with Him. Along the way, we will pay attention to certain pastoral priorities which act as guides through our journey. Among these are: holiness, prayer, the Sunday Eucharist, the sacrament of reconciliation, attentiveness to the Word of God, the witness of love, diversity of vocations, Christian unity, and the gift of young people.

Bearing in mind the social and cultural realities of Canada, the Plan calls on all Ukrainian Catholics – clergy, religious, monastic, and laity – to develop a much stronger and more zealous evangelizing and missionary thrust. As evangelization starts at the parish level, the concept of the *vibrant parish* has been adopted. A *vibrant parish* is one that is alive and active,

Towards a ministry of hospitality

I was a stranger and you welcomed me

Becoming A More Welcoming Parish

Towards A Ministry of Welcome

May 2013

Let us focus here on one aspect of Service, namely, the action of building community through hospitality and a ministry of welcome.

Hospitality in the Early Church

***W was a stranger
and you
welcomed me
(Mt 25:35).***

***Do not neglect to show hospitality to strangers,
for by doing that some have entertained angels
without knowing it (Hebrews 13: 1-2).***

Shroud of Turin

A new springtime of evangelization

It is our hope that our parishes will become more welcoming, places where we encounter the living Christ.

Thank You for your support!
