A FAMILY RETREAT!
October 1, 2016
"Adorn me with Your Presence!"

We encourage all to come and experience this remarkable opportunity for personal understanding and spiritual growth. We invite all, especially Mom, Dad and the children, to participate in this one day learning experience to more fully understand the Divine Liturgy in our Ukrainian Catholic Church. We will look to understand the meaning of why we pray, why we worship and why we celebrate in community.

Registration will begin at 9:00 am and program will start at 9:30 am. This will give parents the opportunity to get their children to their respective programs. We ask all youth over the age of 16 to join the adult program.

Lunch is included in the registration fee and youth will join their parents at the family table.

Programs especially designed for young children between the ages of 3 and 15 will be divided into age appropriate groups with breaks, snacks, and lunch, rest time etc. Fr. Bilyj and Fr. Nakonechny and other clergy will lead this programming. **Please contact Namisha @ 780 554 8543 for all youth registration details and to find out about family rates!**

A key aim or objective of the UCWLC is to coordinate activities that enlighten each and every one in the Eastern Rite and Byzantine tradition, and has served as a strong unifying force of our Ukrainian Catholic identity while opening itself to the mission of sharing our faith with others.
