**Lesson:** God keeps His promises

Show the children the Bible. It's a BIG book! But if we look closer there are lots of books inside it. Let them see the different titles. If you have a Bible with tabs on it that would be helpful to help them understand this concept.

This part of the Bible is filled with promises from God! In it He promised: that He would always be there for His people, that He would always love His people and especially that He would send a Saviour who would bring God's Kingdom! Imagine! 100s of years before Jesus came, God had told the people through the Holy Spirit all these things! The prophets were people who knew these things because they listened to the Holy Spirit in their heart and then they wrote things down.

Let's read that part again: *Many years before, the prophet Isaiah had said that in Galilee of the Gentiles, "the people who sat in darkness have seen a great light." This prophecy came true when Jesus, the Light of the World, went to Galilee. Then, the Gentiles could learn about Him.*

*In Galilee, Jesus began to teach people about God. His preaching sounded a lot like John's. Only, Jesus said, "Repent, for the Kingdom of God is here!"*

Jesus is the light of the world because like light, he helps people to "see" the kind of Kingdom that God is bringing. A kingdom of Peace and love - not power and money. How exciting that must have been for the people that loved and believed in Jesus! This was the beginning of his ministry!

God must love us so much! He kept His promises and sent Jesus!

**Back Inside the Church:** Look around at all the icons of Jesus. In some he is doing miracles and in some his is preaching, and in some he is looking at us. What a wonderful gift of His Son our Saviour, that God has given us!
