Great Fast, Boy with Spirit

1. What did the father say to Jesus when he asked him if he believed that his son could be healed?
2. Why couldn't the disciples heal the boy?
3. Understanding how powerful prayer and fasting can be, let's remind each other of the sacrifices we have decided on during Lent and encourage each other.

Praying Together:

Dear God,
We believe in you but sometimes it's hard to believe that you are in charge of everything and will always be there for us. Help us when we do not believe.
Amen.
