

Yr 2 Pascha Parents' Cheat Sheet

Pascha/Easter Sunday

1. Where does our life come from?

God of course! God has created everything, and He gives every living thing its life. Jesus Christ Our Lord is God, so we know that through Him everything has life. Discuss all the things that you can think of that get life from God. This should be an endless discussion because we know that God created everything and gives life to every living thing! *All things came into being through him, and without him not one thing came into being. What has come into being in him was life...* John 1:3,4

2. Who was John?

John was the one who told the people who Jesus was – the light of the world! John was Jesus' cousin and he was a prophet. He knew that Jesus was greater than him and he humbly told people that. His whole life pointed to Jesus!

3. What does the Gospel call Jesus in the world? What do you think that means?

The Gospel says that Jesus is the light shining in the darkness! Sin and death are the darkness and Jesus brings light into the world so that sin and death are conquered! Light helps us to see things as they really are. So, if we understand that Jesus is the light, we understand that what he shows us are the truth and goodness of God. *...to all who received him, who believed in his name, he gave power to become children of God. ...John 1:12.* As children of God, we are given the gift of eternal life! We are no longer trapped by sin!!! This is amazing! We really need to celebrate this!
