1. What did the man who was paralyzed need?
2. Can we heal people like Jesus did?
3. Do we know of anyone that we can help to heal? What are some things that we could do for them?

### Praying Together:

Dear God,  
We know that people all over the world are sick and suffering. Please be with them today and remind us always to do what we can to show them that they are loved.  
Amen.
