Sunday of the Samaritan Woman

<https://vimeo2.wikinoo.com/peppapig/images/1185346.jpg?w=300&h=201&126053557>

1. What did Jesus say to the Samaritan woman about regular water and water of eternal life?
2. How can we drink the living water?
3. What can we learn from what the Samaritan woman did?

Praying Together:

Dear God,
Because you loved us so much you gave Jesus to us as the "Living Water." Thank you! Thank you especially for the Bible and the Sacraments that fill us with this life giving water!
Amen.
