

# MINISTRY UPDATE 2022

# LETTER FROM BISHOP DAVID

Dear Friends,  
Glory be to Jesus Christ!

As we look back at 2022, we call to mind the many blessings received during this past year and we remain ever-grateful for our family and friends!

This year, we celebrate the family and the domestic church, that place where God's love accompanies us in the unfolding of God's plan of salvation for humankind. Now, more than ever, the Church is called to accompany families as they discover what it means to be the domestic church in today's world, especially as they pass on the faith from one generation to the next. Here are just three projects to highlight...

In 2022, the parishioners, faithful, and friends of the Eparchy of Edmonton remained steadfast in their support for the people of Ukraine through their generous donations and prayers. Together we have raised over \$2,500,000 which helps treat the wounded, feed the hungry, and fund eparchies, parishes, and the Sister Servants in Ukraine who minister to those fleeing the war-torn areas of Ukraine.

2022 also included a focus on the development of Image to Likeness, a Ukrainian Catholic religion curriculum being developed by the Eparchy of Edmonton and its partners with a vision to form children and youth as Christian disciples, helping them strengthen their relationship with God so they can bring the light of Christ to the world.

After running a survey in January 2022, we discovered there was a very strong interest in developing a unique Ukrainian Catholic app. Overwhelmingly, there was a strong response to developing an app focused on prayer and presented in the English language. We aim to initially launch this app in December of 2022.

A lot has been accomplished in 2022 and there's still a lot to look forward to in 2023!

Bishop David Motiuk  
Eparchial Bishop
